Sixteenth Annual Public Sale

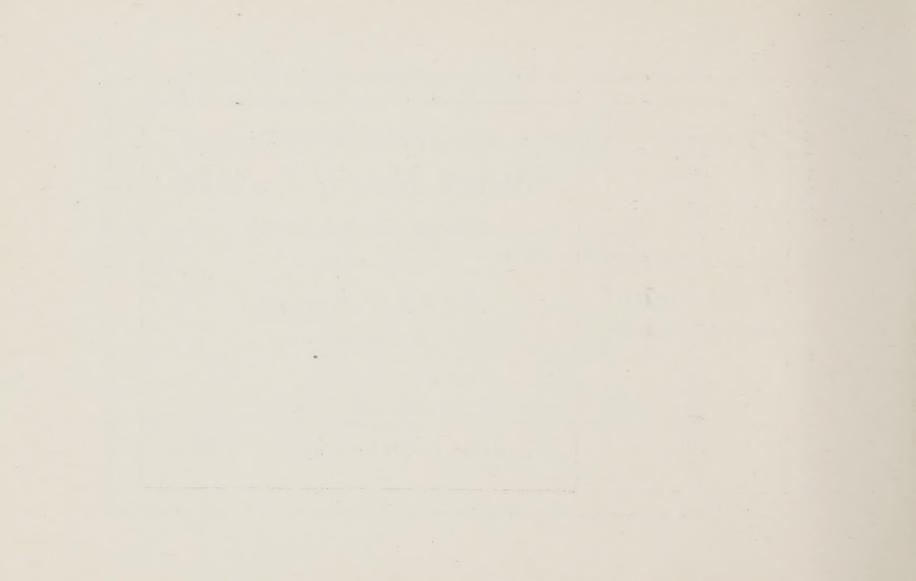

Short-Horn Cattle FROM ANOKA HERD

Anoka Farms

Waukesha, Wisconsin

Sale at the Home Farm
At 1:00 o'clock P. M.

Saturday, December 1, 1917

THE Anoka herd of Shorthorns was founded by the late Geo. Harding in 1870. Annual sales have been held for the last fifteen years. Previously the surplus of the herd was disposed of at private treaty and only occasional auction sales were made. Indicative of steady improvement in the quality of the annual offerings has been the gradual gain in the average price realized at each succeeding sale until \$1,016.00 per head was reached in 1916 for forty-three bull and heifer calves averaging about eleven months of age.

We extend a cordial invitation to everyone interested to witness on December 1st what has been accomplished in the year that has passed. The measure of success met with we attribute mainly to the use of the best sires that we could either purchase or produce mated with females retained in the herd because of their known value as producers; a proper development by good care and liberal feeding of the young growing stock and not forgetting and the stimulus given by the substantial patronage we have received at the hands of the Shorthorn fraternity.
